

HIGHTEC SUNLUB® ULTRAINDUSTRY 32

Environmentally-friendly, high-performance, industrial hydraulic oil with a pronounced energy efficiency potential. Economical and eco-friendly. Benefit twice and opt for HIGHTECH MIT GUTEM GEWISSEN® (Hightech with a clear conscience)

Description

HIGHTEC SUNLUB® ULTRAINDUSTRY 32 is characterised by its optimal low-viscosity properties. The base oil's permanent and natural properties with respect to lubricating properties, wear reduction and pressure stability are significantly superior to mineral-based base oils. HIGHTEC SUNLUB® ULTRAINDUSTRY 32 permits extended oil change intervals and has first-rate and permanent multigrade characteristics.

Application

HIGHTEC SUNLUB® ULTRAINDUSTRY 32 is developed specifically for industrial hydraulic systems operating under mechanical and thermal loads, such as injection moulding machines, presses, extruders or other machine tools. HIGHTEC SUNLUB® ULTRAINDUSTRY 32 is particularly suitable for use in the production of food and food packaging due to its certification as a H1 lubricant.

The quality of this product is equivalent to EU regulations

- ISO 15380

Additionally this product is recommended when the following filling instructions are required

- AMF
- Dr. Boy
- Klöckner-Desma
- KraussMaffei
- Lauffer Pressen
- Wittmann-Battenfeld
-

Benefits

- Economical
- High natural viscosity index throughout the entire period of use
- 100% stable to shear stress
- Extended service life
- First-rate, natural, permanent wear protection
- Environmentally-friendly
- Readily biodegradable
- CO₂-neutral base oil
- Sustainable environmental protection

Recommendation

HIGHTEC SUNLUB® ULTRAINDUSTRY 32 can be used for any application where oils of the following grades are already in use:

HLP 22, HLP 32, HLP 46, HVLP 32, HEES 32

Notices

Certified for use in the food industry
Designed for industrial indoor use from 0°C. Rinse the hydraulic system in advance and clean the tank before changing to HIGHTEC SUNLUB® ULTRAINDUSTRY 32. Store the product in a dry and frost-free environment.

HIGHTEC SUNLUB® ULTRAINDUSTRY 32

Typical characteristics

Property	Method	Unit	Value
Density at 15 °C	ASTM D-7042	g/ml	0.908
Kinematic viscosity KV 40	ASTM D-7042	mm ² /s	32,0
Kinematic viscosity KV 100	ASTM D-7042	mm ² /s	7,2
Viscosity index	ASTM D-7042	-	> 190
Flash point	ASTM D-92 / DIN EN ISO 2592	°C	> 200
Biodegradability	OECD 301 B	%	>60

The characteristics shown are typical of current production.
